

An invitation for families of incoming District 36 students in 2017-18

Join us for a conversation with District 36 Administrators & Principals

District 36 administrators and elementary principals will share the rich history of our nationally-recognized schools and how teachers effectively apply the Progressive philosophy in classrooms. Find out how you can partner with our schools to support your child's educational journey.

Hear about the Extended Day Kindergarten program and ask questions about what to expect as your child enters school in the fall.

Thursday, April 27
9:30-10:30 a.m.

at Greeley School (in the Resource Center)
275 Fairfax, Winnetka

Children are welcome.
